I recall that Patryk circulated proposed dates for these depositions and I responded that I was not available for them, but suggested ones that I am available for.

I have heard nothing more on this.

Would it make sense to have a telephone call tomorrow, March 29, to discuss available dates? I would propose 10:00 a.m. pacific time.

To also get the ball rolling, I would be available the week of April 30 and, if absolutely necessary, the week of April 7.

This, of course, is without prejudice to any party's views on whether these depositions are or are not appropriate given the current state of scheduling orders in the MDL proceedings.

Patryk, we intend to appear at the hearing and advise Judge Kluzer ourselves as to our intentions, which are that if these depositions go forward, we want equal time with the witnesses.

Dear Counsel,

We write to follow up on the email below regarding one of our Hague Requests.

Without waiving any objections to the enforcement of the discovery cutoff, please advise us of how much time you will need for the depositions of the witnesses identified in the attached subpoena (Pirola, Cederna, Robotti and Nagel), so that we may advise Judge Kluzer. If we do not hear from you by the close of business on Wednesday, March 14, we will assume you are not reserving time for these witnesses.

Please copy Zach Taylor on any responses.
Regards.

Dear Counsel,

Judge Kaplan's chambers asked for a translation of certain documents that it received from Italy in connection with one of our Hague requests. We have submitted the attached translation to chambers.
